1. The first of the river craft being built in Warnemunde for the USSR, the BANKAL, will soon be taken out for a test run. If the weather is good, it will be tested near Ruegen Island.
2. There have been several acts of sabotage recently on the COMBINE 3000, for instance, on 18 November, a valve was opened and water poured into one engine room, causing the vessel to list ten degrees. A few weeks ago, several completed cabins were dirtied and marked up with red lead. In addition, the main land cable was cut at the main distribution switchboard.
3. The expenses in connection with the vessel 3000 amounted to 43,700,000 DM, of which 43,021,000 DM were recognized as coming out of reparations.
